

can you help me?

Seeming anxious

Becoming withdrawn

Running away or gone missing

Lacks social skills, has few friends

Unexplained change in behaviour

Poor bond or relationship with parents

Becoming uncharacteristically aggressive

Knowledge of adult issues inappropriate for their age

Always choosing to wear clothes which cover their body

If you notice any of the signs among any child around you,
don't let it go. Someone might need your help!

Your one step can change someone's life
